If you need help paying  
 your heating bills, or  
 have a heating  
 emergency...

**LIHEAP**  
 May Be Able  
 To Help You

PWEA 18 10/08

## What is LIHEAP?

The Low-Income Home Energy Assistance Program (LIHEAP) helps low-income families pay their heating bills. LIHEAP is a grant. You do not have to repay it.

### To receive help...

- You don't have to be on public assistance
- You don't need to have an unpaid heating bill
- You can either rent or own your home

## How does LIHEAP work?

LIHEAP offers both cash and crisis grants, and is open for application starting November 3, 2008. The program closes March 31, 2009. The length of the program may change depending on availability of funding and other factors.

### Cash Grants

Cash grants help families pay their heating bills. The grant payment is sent directly to your utility company or fuel provider, and it will be credited on your bill. (In some cases, the check may be mailed to you directly.)

### Crisis Grants

Crisis grants help families who have an emergency and are in danger of being without heat.

Emergency situations include:

- Having broken heating equipment, (like a furnace) or leaking lines
- A fuel shortage that may leave you without heat
- Having utility service shut off

If you have a heating emergency please call your local county assistance office.

## How do I apply?

- Apply online at: [www.compass.state.pa.us](http://www.compass.state.pa.us)
- Call the Statewide LIHEAP Hotline at 1-866-857-7095 or TDD for the hearing impaired 1-800-451-5886

- Names of people in your household
- Dates of birth for all household members
